

Queensland Government Identity Card

The new style of Government Identity card will be released 1st January 2014
This design meets the required corporate identity standards set by Premier & Cabinet.

New features consist of:

- Qld Government Crest replacing the previous Government Logo
- New style hologram displays the government crest across the card
- Colour access now being shown as the whole card colour display and colour bar
- Bar code relates to the authorised ID application
- Larger Photo and larger expiry date to assist with Security checking
- Unique serial number and employee ID number of the reverse side of the card

Yellow allows bearer only access to the relevant building and other major Government buildings during the hours of 0700 and 1800, Monday to Friday inclusive.

Blue allows bearer only access to the relevant building on a seven day 24 hour basis. Also it allows bearer access into all major Government buildings during hours of 0700 and 1800, Monday to Friday inclusive.

Red gives entry to the relevant building on a seven day 24 hour basis. It further allows the bearer to bring visitors into the building at any time with the bearer accepting responsibility for these visitors. Also it allows bearer access into all major Government buildings during hours 0700 and 1800, Monday to Friday inclusive.
